

Tactical Voice Logger

Portable Voice Recording Solution

Powered by **Eventide NexLog EXP-M**

Off the grid. On the record.

Deploy in minutes. Record everything. Miss nothing.

CANADA'S ONLY PURPOSE-BUILT PORTABLE VOICE LOGGER

MISSION OVERVIEW

Mission-ready. Rapidly deployable. Built for the field.

The most critical moments in public safety, field operations, and executive protection often happen far from fixed recording infrastructure. The TVL captures every transmission, analog or VoIP, the moment boots hit the ground. No infrastructure. No delays. No gaps in your record. Housed in a ruggedized case and powered by Eventide's proven NexLog EXP-M recording platform — trusted by thousands of public safety agencies worldwide — the TVL is configured, supported, and warranted by Cartel Communication Systems in Canada.

WHO IT'S FOR

High-stakes sectors. Unforgiving environments.

The TVL was designed around one reality: the most critical moments in public safety, field operations, and executive protection often happen far from fixed recording infrastructure.

PUBLIC SAFETY

- Emergency Response Teams (ERT)
- Incident Command — Police & Fire
- Search & Rescue operations
- Mobile command posts

FIELD OPERATIONS

- Forest fire command staging
- Disaster relief coordination
- HAZMAT incident sites
- Remote & off-grid deployments

EXECUTIVE

- VIP protection details
- Corporate crisis response
- Continuity & training exercises
- Deployable command centers
